Workshop night for May Your images for the where is it in Bank Street competition. Barb will put up a folder on the website so just upload your images as usual.

Please be fair with the images though....Your feet must have been in Bank St to take the image and it must be within the prescribed area. Also to be fair, no single cobble stones, single obscure letters on a sign etc. Looking forward to seeing some challenges though.

Keep in mind Northern Inter-club in July, topic is **Abandoned or Old**. The criteria from the host club is as follows,

for this competition.

The Shutter Room is promoting photography in Whangarei and offer exhibition space and also studio lights all set up and ready to hire if anyone wishes to avail themselves of the opportunity. They would also like a few volunteers to help out if you are interested..I believe there are some perks attached!! anyone interested see Sharon Lambert or see me for her phone number.

The last Photoshop tutorial is now on the web if anyone wishes to refresh their memory.

The N.Z. National Geographic is running a photography competition from May 6th. If you want to enter head to their website for details.

This is your club so if anyone would like a workshop on any topic please let me or a committee member know and we will do our best to accommodate you. We sometimes tend to forget that newer members might need help on some topic, and others of us simply forget something learned long ago. So please don't be afraid to speak up.. as the old saying goes if you don't ask ya don't get!!!

AND NOW FOR A BIG TREAT. Our own Shelly is holding an exhibition of her work at the Quarry from **May the 16th to June 5th**. Do make sure you pop a long and have a look. **The actual opening is on May 16th from 5.30 till 8pm.** So it might be a good time for us all to pop along.

See ya all Wednesday
